Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

FLOOR FOUR

Ace-Hil-Ink, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: 'A loud bang was heard from above, scaring the boys. They shined their lights up the stairwell. The sounds of chains rattling on the floor stirred the dust above. Something or someone was up there. Doug, hiding his fear, took a couple of more steps up. Brandon and Kyle looked at him, their feet locked in place. They had no intention of going any further.'The old, abandoned Saint Vincent Hospital is said to be haunted by the ghost of David Henry Coleman, the notorious serial killer, known as The Mangler. Coleman died on the fourth floor after being shot by police. For the three Jr. High boys, their curiosity gets the best of them as they explore the old hospital, despite 'Old Man' Jake's warning. No one knew of Jake's dark connection to the killer and the hospital. And now, on the anniversary of The Mangler's death, a group of high school kids are planning a private party on the haunted fourth floor. Jake must keep everyone out and protect them from the true evil that lurks on Floor Four.
