Excerpt: . . . 51 percent in order to fund each applicant. Arkansas received a reduction of only 23 percent. The department altered its selection methodology, which resulted in one grant request for 3.6 million being replaced by one for 749,000. Using the new methodology, funding reductions for each of the 12 grantees went from 51 percent to 47 percent. Furthermore, the appointee recommended that this excellent, ambitious application be awarded the fifth of five allowable grants, expanding the initial list recommended by the program staff. To fund five grantees, program officials reduced the awards to each of...
