Reviews

An extremely wonderful pdf with lucid and perfect explanations. I could possibly comprehend every little thing out of this created e pdf. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Janie Wilkinson)

TO A YOUNG JAZZ MUSICIAN

Random House USA Inc, United States, 2006. Paperback. Book Condition: New. Reprint. 198 x 124 mm. Language: English . Brand New Book. In *To a Young Jazz Musician*, the renowned jazz musician and Pulitzer Prize winning composer Wynton Marsalis gives us an invaluable guide to making good music and to leading a good life. Writing from the road between the bus ride, the sound check, and the gig, Marsalis passes on wisdom gained from experience, addressed to a young musician coming up and to any of us at any stage of life. He writes that having humility is a way to continue to grow, to listen, and to learn; that patience is necessary for developing both technical proficiency and your own art rather than an imitation of someone else's; and that rules are indispensable because freedom lives in structure. He offers lessons learned from his years as a performer and from his great forebears Duke Ellington, Charlie Parker, and others; he explores the art of swing; he discusses why it is important to run toward your issues, not away; and he talks about what to do when your integrity runs up against the lack thereof in others and in our culture. He poetically expresses our need for healers: All of it tracks back to how you heal your culture, one patient at a time, beginning with yourself. This is a unique book, in which a great artist offers his personal thoughts, both on jazz and on how to live a better, more original, productive, and meaningful life. *To a Young Jazz Musician* is sure to be treasured by readers young and old, musicians, lovers of music, and anyone interested in being mentored by one of America's most influential, generous, and talented artists. From the Hardcover edition.
