

A pastoral response to Haitian Vodou

By Kesner Ajax

LAP Lambert Academic Publishing Mai 2013, 2013.
Taschenbuch. Book Condition: Neu. 220x150x5 mm. This item is printed on demand - Print on Demand Neuware - This book is meant for those who want to better understand ministry in Haiti and its particular challenges. I hope its ideas will be helpful to Christian professionals working in as well as missionaries all over the world who plan to work in and experience third world countries. Haiti is dreaming of new institutions for the development of its people, including education and religion. Although I write as an Episcopal priest who has been working in Haiti for more than 20 years in the field of pastoral ministry and education at all levels, I pray these materials will be for professionals across denominational lines. 88 pp. Englisch.

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer composed this pdf.

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. It's been printed in an exceptionally simple way in fact it is merely right after I finished reading through this pdf by which basically changed me, modified the way I think.
