DOWNLOAD

Sunstone Press, United States, 2004. Hardback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Are American sports in jeopardy? Maybe so, unless greed can be controlled, the author of this unique book about sports in the United States concludes. In drawing this conclusion, Glenn Ferguson has explored media impact, education, relevant history, rules, discrimination, and even team nicknames before proceeding in depth with the specific fascination and blemishes of the major sports--baseball, football, basketball and track--with emphasis on college and professional levels. For the minor sports, tennis, ice hockey, swimming, golf and soccer are examined. Coverage of modern summer and winter Olympics stresses lifestyle, monetary awards, television, and foreign perceptions of the United States. Not wanting to overlook anything, the author devotes a final chapter to the avocations of hunting and lawn care. GLENN FERGUSON served as President of four universities (Long Island, Clark, Connecticut, and the American University of Paris); Radio Free Europe/Radio Liberty in Munich; Lincoln Center for the Performing Arts, and President and founder of Equity for Africa. He was an Associate Director of the Peace Corps in Washington, and the first Director in Thailand. He was also the first Director of Volunteers in Service to America (VISTA); American Ambassador to Kenya (Arthur Flemming Award); and a management consultant with McKinsey Company. As an Air Force Psychological Warfare Officer, he served in Korea and the Philippines. Since his retirement, Ambassador Ferguson, and his wife Patti, have resided in Santa Fe, New Mexico where he has written five books relating to travel, religion, essays, aphorism and sports. He received two degrees from Cornell University and a law degree from the University of Pittsburgh.
