A fresh eBook with an all new standpoint. It is actually written in simple words and phrases instead of difficult to understand. You won't sense monotony at any moment of your own time (that's what catalogs are for relating to if you question me).

Brand New Book ***** Print on Demand *****.Dear Journal, Things are turning out so much more differently than I expected them to be. Honestly, I do not mean that in a bad way. I mean it in the best way possible. Sure, the chemo and radiation treatments are not fun, and I hate the feeling of wanting to puke, but I am not letting it get me down. My roommate, Alicia, and I have become best friends! She and I have so much in common, that it s not even funny! Our other best friend is named Tara. Just like Alicia and I are, Tara is being treated for Leukemia. We are also spending the entire summer in the hospital. Journal, even though Jenna and Jody hurt me, I am not focusing on them. After all, I have new best friends who like me for me. -Maya.
