

The Dog Whisperer: A Compassionate, Nonviolent Approach to Dog Training

By Paul Owens

Listen Live Audio, United States, 2008. CD-Audio. Book Condition: New. 2nd abridged edition. 165 x 140 mm. Language: English . Brand New. Owens, founder of Raise with Praise, Inc. and a certified evaluator for the Delta Society's Animal Assisted Therapy Program, has written a good, basic, reasonably priced introduction to dog training based upon rewarding successive approximations of correct behavior. Gone are the leash pop and harsher corrections of earlier obedience methods. Nonviolent dog training shapes appropriate behavior with rewards such as food and games. Incorrect behavior is punished by ignoring the dog and by verbal cues such as oh-oh. There are chapters on clicker training, target stick training, and training gear such as collars and leashes; the nine ingredients of canine optimum health (high-quality diet, play, socialization, quiet time, exercise, employment, rest, training, and healthcare); and human-canine communication.
