*This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Ten Speed Press, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "A smart, wise, and practical book every parent of a young child should own. What a trove of information; read this beautifully composed guide, sleep well, and enjoy with confidence your child's education." --Edward Hallowell, MD, author, *The Childhood Roots of Adult Happiness* "ML Nichols has given parents a long-overdue map through the 'minefield' of elementary education: where to turn and what to say and do (in and out of school) to become an effective advocate for your child." --Jim Trelease, author, *The Read-Aloud Handbook* "As a psychologist and parent of three elementary-age children, I highly recommend this book. Nichols, the director of the Parent Connection, a nonprofit parent education group, has extensive knowledge of the ins and outs of the early years of a child's education. All parents will benefit from the early chapters providing specifics about the current generation of elementary schools, and suggestions for what parents can do to ensure their children's success within the changing system." --Publisher's Weekly "Every so often, I run across a book so good it belongs on every family's shelf. That's the case with *The Parent Backpack*. Author ML Nichols, director of the nonprofit, The Parent Connection, has written a guide for surviving and thriving in elementary school. She explains the system--from testing to special education to how administrators choose your kids' next teacher. Best of all, she...
